CAMP TRACY WATERFRONT PROCEDURES

Swimming is offered daily. If children do not wish to participate in free swim, an alternative will be provided. Camper Pick-up during free swim may take additional time due to the nature of the activity.

Camp Tracy has a 4 section waterfront. The first section is a zero entry area accessible to all ages and skill levels. The remaining sections each have their own skill test administered by a lifeguard or Waterfront Director. Each skill test is progressively more difficult to better prepare swimmers for the respective section.

A minimum of two to three American Red Cross certified lifeguards on the docks during all swim times and a ratio of one guard to 25 swimmers is strictly enforced. Lifeguards conduct weekly skill training to make sure they are fully prepared to respond to a waterfront emergency.

SUMMER ENRICHMENT PROGRAM SWIMMING POOL PROCEDURES

Campers in the Summer Enrichment Program are able to swim in one of the AYCC's indoor pools and/or the City of Waterville's Alford Municipal Pool each day from 1:30-3:30pm. If children do not wish to swim, an alternative activity will be provided. If you are planning on checking your child out of the program during swim time, please be aware that it may take additional time to retrieve your child.

- Certified lifeguards are on duty at all pool locations during swim time. Additionally, SEP staff are on duty at all times as well.
- All children are required to have parental/guardian permission (registration form) in order to utilize any of the pools.
- Children who wish to swim past the 4.5 foot mark will be required to pass a deep end swim test.
- All swimmers will be given a wrist band to identify the camper's appropriate swim area.
- The pool rules will be reviewed each time they go to swim to ensure there is full understanding of the expectations.
- Once a month, an emergency drill is conducted and recorded. The children will learn what to do in case of emergency (i.e. fire, flood, etc.)
- Before the children utilize the pool, a safety check is done to make sure the pool area is safe.

BULLYING

The Alfond Youth Center will continue to provide leadership and guidance for all participants in regards to bullying education and prevention. Your child will be required to meet all expectations in regards to behavior that is consistent with the current Waterville Public Schools policy on bullying.

Administration and staff will provide clear expectations and consequences for all participants and be consistent with NO TOLERANCE for any bullying behavior.

It is the intent of the Alfond Youth & Community Center to provide all youth with a safe, orderly and respectful recreational environment that is a safe place to play, exercise, and learn. It is not the Center's intent to prohibit children from expressing their ideas, including ideas that may offend the sensibilities of others, or from engaging in civil debate.

Bullying, as defined in this policy, is not acceptable and is strictly prohibited conduct at the AYCC, Summer Enrichment Program, and Day Camp Tracy. Any person that engages in conduct that constitutes bullying shall be subject to disciplinary consequences up to and including expulsion from the facility and loss of membership. A person's bullying behavior may also be addressed through other behavioral interventions.

For the purpose of this policy, "bullying" means any physical act or gesture, or any verbal, written, or electronically communicated expression that a reasonable person would expect to have the effect of:

1. Physically harming a person or damaging a person's property.
2. Placing a person in fear of physical harm or damage to his/her property.
3. Substantially disrupting the recreational or instructional program or the orderly operations of the Alfond Youth & Community Center.

4. Is so severe, persistent, or pervasive that it creates an intimidating, hostile environment for the person who is bullied.

CONFIDENTIALITY

All incident, accident, and observation forms are kept on file for review. These forms help staff implement behavior plans as well as lesson/activity ideas. All forms are kept strictly confidential.

INCLUSION

The Summer Enrichment Program and Day Camp Tracy does not discriminate on the basis of disability in admissions, access to, or operation of its program. We are committed to serving persons with disabilities. To ensure that you do not encounter any barriers, please communicate with us so that every effort can be made to provide you with any reasonable accommodations that you or your child may require, i.e. behavior charts, furniture modifications, or adapting our activities.

Day Camp Tracy & Summer Enrichment Program Cont.

CHILD GUIDANCE & DISMISSAL

To ensure that the Summer Enrichment Program and Camp Tracy are a positive place for kids to go, we believe that the children have certain responsibilities. Children will be responsible for cleaning up after themselves and to conduct themselves in a manner that is appropriate and safe for the other children around them. We require the children to respect the staff members, other children and Alfond Youth & Community Center's property.

When these simple guidelines are encouraged and supported we believe we create a positive place for all kids to go. The staff members will support children through positive reinforcement for good behavior, and encouragement for them to perform to the best of their abilities. We ask the parents/guardians to please help us carry out these responsibilities.

Our beliefs: We know children use their behavior as a way to let others know what their needs are when they do not have the words or skills to express this need. We know children are still learning to be self-controlled and how to be a member of a group of peers as they mature. We want all children to feel safe and cared about while in any program at the Alfond Youth & Community Center. Guiding behavior and teaching behavior skills are high priorities for all the programs. The staff are always role models and guides for the children.

Our plan: When children do not display responsible, respectful behavior our goal is to teach and reinforce a positive method to get their needs met. All staff will do daily observations of the children they are working with to document factors that may contribute to the behaviors that children are displaying. The developmental level of the child involved will be taken into account.

When possible, changes will be made in the facilities and/or program to better meet the children's needs and prevent future behavior challenges.

- Children will be involved with setting the rules for having fun; learning, growing and working together. The consequences of making poor choices will be discussed with all the children.
- Children will be reminded of what the expected behaviors are after they make a poor choice.
- Staff will have a discussion with the child to be sure he/she understands what the consequence of their behavior is on others and themselves.
- If unacceptable behavior continues, parents/guardians will receive an incident report stating the situation. Once signed by the parent/guardian, these will be kept on file in the office.
- If the behavior continues and is dangerous to self or others, a parent/guardian will be called to remove the child from the Center for the remainder of the day. A plan will be discussed for future attendance.

SUSPENSION & DISMISSAL

The Alfond Youth & Community Center reserves the right to dismiss or suspend the enrollment of any child if their behavior continues to be harmful to others or themselves or if the child's needs cannot be met within the program.

Other reasons for dismissal or suspension include:

- Illness, lice or nits present
- Inability to independently use bathroom facilities
- Parents/guardians not complying with Alfond Youth & Community Center Childcare policies
- Failure to make payments or frequent late pick-ups

We document and file all incidents and refer to them to consider suspension or dismissal. If you have questions about this policy, please see the Director.

ALFOND YOUTH & COMMUNITY CENTER POLICIES

Day Camp Tracy & Summer Enrichment Program Cont.

CHILD ABUSE & NEGLECT

The Alfond Youth & Community Center's Summer Enrichment Program and Day Camp Tracy are licensed by the Maine State Department of Health and Human Services, we are required by law to report any suspected cases of child abuse or neglect. Identity and information shared in this required report are kept strictly confidential. The Alfond Youth & Community Center, Summer Enrichment Program and Camp Tracy employees are mandated reporters and will not discuss matters with the parents/guardians.

PICK-UP & HEALTH

Parents/guardians are required to make an immediate (within one hour) pick-up for behavior problems, illness, lice, or bathroom accidents. If illness is contagious a doctor's note will be required upon return or permission from the Director. The child must be fever and free from vomiting for at least 24 hours prior to returning.

If you require our staff to administer prescription medication, you will need to complete a medication form. All medication must be in its original container with the child's name. Over the counter medication will not be given without written consent. Medications will be stored in a locked drawer at room temperature. If refrigeration is needed, or other if other special instructions are needed, you must speak to the Director.

IMPAIRMENT

If the program's staff suspect that the adult picking up the child(ren) is under the influence of drugs or alcohol, the staff will strongly recommend that another person is called for pick-up. If the recommendation is not acted upon, the staff will notify the Waterville Police Department.

PICK-UP OPERATIONS

Children will be released only to those people identified on their pick-up list. **A photo ID will be required for pick-up** so please inform individuals on your list. To add a name that is not on your pick-up list, please contact the Director.

A late fee of \$5.00 will be charged for every 15-minute interval, if the child is picked up after 5:30pm. The late fee must be paid before your child can return to the program.

If you wish to have a taxi for your child, that information must be submitted in your registration form. We will not send children in taxis without written authorization. Please notify the taxi service you use that they must come in to sign the child out and show proper identification. Children are not permitted to sign themselves out and walk home. This is for the safety of your child.

TRANSPORTATION

Parents will be responsible for transporting children to and from the program. Van services are not available for the Summer Enrichment Program or Camp Tracy.
